# COMMUNITY SERVICE OPPORTUNITY!

TEAM DENNIS

**Local PG resident with paralysis invites you to join our team!**

**Earn community service hours while working in a safe & fun environment!**

**If you were paralyzed, you might need help with things like:**

- Turning pages in a magazine or newspaper
- Watering the garden
- Using the computer for email, Internet research or correspondence
- Organizing things around the house and office
- Grocery shopping
- Making phone calls
- Preparing a sandwich
- There's lots of stuff to do! Creativity and initiative are appreciated!

**Dennis is an upbeat, funny guy. He currently works as a spokesperson for The Stanford Partnership for Spinal Cord Injury & Repair.**

**If interested, contact Linda or Dennis at 375-9675.**
